Video Recording

We will be recording the speaker and stop the recording at the start of the Q&A session

Speakers

Christof Küstner ([LinkedIn](#)) from Schaeffler Group

Christof is an Expert Data Architect at Schaeffler Group. He is experienced in data-driven product development, machine learning, automation, and IT. To tackle new challenges, he leverages a unique combination of traditional mechanical engineering, contemporary information and communication technologies, and data-driven methodologies. He is passionate about driving the digitization of companies and facilitating their transition into the digital era.

Speakers

Sven Pelzer ([LinkedIn](#)) from Schaeffler Group

Sven is a Solution Architect at Schaeffler Group. He boasts a career in software development over a range of domains and has been involved with the development of the digital twin offering of Schaeffler Group.

When asking questions, please briefly introduce yourself

Presentation and Question Session

Digital Twins in WoT
